**UNDER THE
BUSH-KENNEDY-McCAIN BILL
THE FORT DIX
ATTACKERS
WOULD HAVE BEEN GIVEN
AMNESTY.**

SURE MAKES BEING A TERRORIST A LOT EASIER.

Terrorists have proven they can abuse our immigration system to carry out their deadly plans. Now, some Senators want to push through a bill that would make it even easier by giving amnesty to millions of illegal aliens. Under that bill – the so-called “grand bargain” – terrorists plotting to kill Fort Dix soldiers would have been given amnesty. Three of the 1993 World Trade Center bombers were here on agricultural worker amnesty provisions. Fifty-nine convicted terrorists committed immigration fraud.

There are 623,000 criminal, illegal aliens who have been ordered deported by our courts but remain at large in the U.S. today because the government can’t find them. Clearly, I.C.E. cannot handle their workload. Yet the Senate bill will make things worse with amnesty for 12 million illegal aliens. This bill will put millions of Americans at risk. If amnesty enables terrorists to strike again, rest assured Families of 9/11 will be there to remind America which members of the Senate made the terrorists’ job easier.

PLEASE CALL YOUR U.S. SENATOR WITH THE FOLLOWING MESSAGE

The 1986 amnesty allowed terrorists and other violent felons to legally remain in the U.S.

As a result, Americans were harmed or killed.

The proposed Bush-Kennedy Comprehensive Amnesty for illegals will again lead to the deaths of many innocent Americans.

If amnesty passes, when crimes are committed by beneficiaries of amnesty, the families of the victims of illegals will make sure voters know if their Senators, by voting for amnesty, are responsible for permitting those murders to take place.

Members of 9/11 Families for a Secure America will hold those politicians responsible for these murders and see that they pay the price at election time.
