

The A to Z of Why I Will Not Vote For Barack Hussein Obama

RN. A corrupt organization. Obama has a longstanding relationship with them, directed by them. It has done more to undermine the integrity of the American electoral system than even Obama's Chicago political allies.

s, William. Despite Obama's lies about Ayers just being a "guy in my neighborhood," the fact that Obama's relationship to this murdering terrorist, co-founder of the Weather Underground, is close and long standing.

l, Sen. Joe. Third most left wing senator in the US Senate. Obama is the #1 leftist.

certificate. IF a US birth certificate existed showing Obama was Constitutionally eligible to be president he would be flapping it around for everyone to see. Since he refuses to show it, the logical conclusion is that he was in fact born in Kenya as his grandmother claims.

it, not very. See: Biden, Joe

n Shirts. Adolph Hitler's private army of thugs who beat up opponents of Nazism to silence them. On July 17, 2008, Obama gave a speech saying the US needed a "Civilian National Security Force" just as powerful, just as strong, just as well funded" as the military "in order to meet national security objectives that we set." Such an outfit would be worse than useless in any military action. Its only possible use could be for domestic purposes. Since we already have police forces, and the National Guard what could a Domestic National Security Force" possibly be used for other than suppressing dissent?

o, Fidel. Obama shares this guy's views about spreading the wealth as well his distaste for socialist and communist viewpoints.

go corruption and political thuggery. Obama has adopted these tactics. Vote early, vote often. Vote the dead. Vote the ineligible. Silence your opponents and those who criticize you by any means possible to defame, demoralize, destroy them. See: Joe the plumber.

ine. A drug which Obama admits he used.

munists. There are just too many who are close friends of Obama for any sane person to doubt that Obama is not one of them.

titution, U.S. Obama says that it, like the United States, is "fundamentally flawed." For this reason, among many others, reasonable people should find Obama fundamentally flawed.

u. A country which, according to Obama, poses no threat to the US despite its decades of support for Communist terrorism in many nations around the world.

use, United States. Can a man whose political mentors include Communist Party guru Earl Browder, Lin Marshall, William Ayers, Jeremiah Wright, and whose patriotism is dangerously naive and unreliable really be trusted with this task?

n, Bernadine. Another close friend of Obama's who is a virulent hater of the United States who put her hate into practice with bombs and by killing police officers. Obama thinks she's
