

We stand at the spot... where thousands of innocent Americans, including my 23 year old son James, were murdered by ***illegal aliens***.

NOT ONE of those nineteen Moslem terrorists was legally eligible to cross our borders yet all were allowed to enter the United States because of the open borders policies promoted by the likes of Charles Schumer, Ted Kennedy, Barbara Boxer, John McCain and other politicians who do whatever the Open Borders Lobbyists tell them to do.

Thousands died on 9/11 because these politicians and others violated their oaths of office and allowed millions of illegal aliens **and the unknown terrorists who hide among them** to enter our country at will. And then, because these same politicians had made certain that no one was enforcing immigration law in the interior of our Nation these 19 monsters remained here for up to two years without any fear of interference from police officers or civilians while they planned, financed, rehearsed and then carried out their conspiracy to commit mass murder.

How did these monsters get here? Simple, like almost half of all the 20 million illegal alien CRIMINALS now in the USA , the 9/11 terrorists got visas. And yet NONE of those monsters was eligible for a visa.

So why did they have them? Because the travel industry, the higher education industry and high tech industry, wanting to sell more hotel stays, more theme park tickets, more airline tickets, wanting more paying students, and more cheap labor had succeeded in lobbying Presidents and Members of Congress to have the State Department issue visas to anyone and everyone, no matter what sort of threat they posed to this country.

Now, the illegal alien lobby makes much of the fact the terrorists all had visas to enter the US.

Thus, say the ACLU, the immigration lawyers: The terrorists weren't illegal aliens" and, according to the twisted logic of these lawyers, since the **terrorists** were "Legal" there's no reason to stop illegal immigration."

But the coalition of open borders profiteers that successfully lobbied congress to get the State Department to grant visas to anybody and everybody is the SAME coalition that CAUSED CONGRESS TO COMPLETELY OPEN OUR BORDERS TO ILLEGAL IMMIGRATION AND ENDED ENFORCEMENT OF IMMIGRATION LAW INSIDE THE BORDERS OF THE USA.

So..it is true that all the 9/11 killers had visas. But it's also true beyond shadow of doubt that the killers didn't need to bother with visas...they could have done what millions of others have done and just walked in. All thanks to the work of the US Chamber of Commerce, Catholic Church, National Council of the Race, the Ford Foundation, the ACLU... and lawyers.

So today there are 20 million illegals, every one of whom is a CRIMINAL, in the US

And what's the solution say President George Bush, Senators Joe Lieberman, Hillary Clinton, Richard Lugar, Charles Schumer?

Forgive them for their crimes, in other words AMNESTY and also, let's them stay and give them a big reward... American citizenship.

But the American people say NO REWARD AND NO AMNESTY

The 9/11 Commission reminded us that **three** of the participants in the **first** attempt to bring down the WTC. . . in 1993. . . were in the US because of the amnesty that was granted in 1986. That amnesty had been foisted on our nation by, among others, Sen. Ted Kennedy then Reps Schumer and McCain.

The terrorist who shot five people outside CIA headquarters in 1993, killing two, HE was in the US thanks to the 1986 amnesty.

Janice Kephart, a staff member of the 9/11 Commission, released a long list of terrorists who got amnesty, or otherwise fooled the system to remain LEGALLY in the US.

These are just the terrorists and would-be terrorists **that we know about** who got amnesty in '86 or became "legal" in other ways. We know of them because their crimes and conspiracies made the headlines. But, how many OTHER murderers, rapists, child molesters, got amnesty that we **haven't** heard about because their crimes didn't make the headlines. And how many lives and families have been destroyed by these beneficiaries of the 1986 amnesty which Schumer, Kennedy et al forced on this country?

So, . . . what we **know** is that Americans died or brutalized because of the 1986 amnesty. . . but **what we don't know** is **HOW MANY** were murdered, or raped, or molested, or beaten or stabbed or victimized in endless other ways.

Now, back in 1986, Schumer, Kennedy, and their co-conspirators in Congress and in the Open Borders Lobby told us that "only" one million people would be eligible for amnesty. They lied: three million got amnesty.

Schumer, Kennedy and their like told us they that there would be background checks of illegals who applied for amnesty so that terrorists and other dangerous felons would not be given amnesty and set loose in society to kill innocent Americans. Guess what? They lied. And Americans died.

Get the picture?

Schumer lied. People died. Kennedy lied, people died.
Schumer lied. People died. Kennedy lied, people died.

In 1986 the politicians in Congress told us amnesty would solve the problem of illegal immigration and be a one time event. **THEY LIED**

Now they want to force another amnesty on us, claiming that **THIS ONE** will solve the problem. **DO WE BELIEVE THEM. NO!** Hillary Clinton is LYING AND AMERICANS WILL BE DYING. Sen. Lugar of Indiana is lying and Americans will be dying. Senator Mike DeWine of Ohio is lying and Americans will be dying.

In 1986 John McCain said: give us this amnesty and we promise to secure our borders and prevent illegal immigration.
McCain LIED. Americans died.

How do we know that McCain lied? Simple. Talk to the people on the border in Arizona, California, Texas, New Mexico. Talk to the victims of crimes by illegals all over the United States. Talk to John and Barbara March, the parents of Deputy David March, murdered by an illegal alien who has been given sanctuary by the corrupt government of Mexico. Talk to the family of Scott Gardner, who was killed by an illegal alien driving while drunk after several convictions for the same offense.

McCain says: Give my bosses at the US Chamber of Commerce and LaRaza what they want. Another amnesty and THIS TIME we really, REALLY mean it, we'll secure the borders!

Do you believe that John McCain is telling the truth?
Do you believe that Hillary Clinton is telling the truth?
Do you believe that Sen. Joe Lieberman is telling the truth?
Do you believe that Charles Schumer is telling the truth?
Do you believe that Ted Kennedy HAS EVER told the truth?

They promised to enforce the immigration laws; they promised to secure our borders; they promised to keep out the monsters who threaten our people and our country

We are standing in front of the proof of their lies. But how many thousands of solitary families are there across the country who have been the victims of murders, stabbings, rapes, gang violence, vehicular homicides and an endless series of other crimes...all committed by illegal aliens.

We don't know the figure, but since 1/3 of all federal prison inmates are foreign born, it must be an awful lot.

Now here's the funny part. Just a few weeks ago, people at the Department of Homeland Security told us that Administration statisticians had "run the numbers" and they could assure us that "only" seven million illegals would apply for amnesty. Bruce DeCell and I asked them whether these statisticians were the same bunch who had told Americans in '86 the "only one million would be eligible" for amnesty and not the 3 million who got it?

We asked them: how were they going to run background checks on the 20 million who would actually apply, or even "just" 7 million. Their answer? "Trust us."

Riiiiight. Just like we trust McCain, Kennedy, Lieberman, Boxer, Feinstein. Right?

That bunch wants to force us to surrender our sovereignty to Mexico by forcing us to ask their permission to build a fence IN OUR COUNTRY.

Amnesty supporter Barak Obama wants us to trust HIM, but he's the guy who snuck in an amendment that would require foreign workers on many projects to earn more than Americans? Do we trust Sen Obama?

John Kerry supports amnesty and wants illegal aliens to tap into our Social Security for working illegally and taking a job away from an American. Well, we SHOULD trust John Kerry on this one because for sure HE's going to be relying on HIS social security check when HE retires.

And George Bush supports amnesty. And we GOTTA trust him, even though he wants Arabs to control our seaports, foreigners to control our airlines, foreigners to build and own the NAFTA MONSTER HIGHWAY which will be used to bring CHINESE products into the heartland of America, Kansas City, so that WALMART force even more American workers out of their jobs. And Senator Robert Menendez of New Jersey he supports amnesty, and since he's the Senator from the National Council of THE RACE" we gotta trust him too.

Well my friends, what we know is that in 1986 Senators and Representatives like Kennedy and McCain and Schumer lied and people died.

I don't know about you, but I'm through trusting that bunch.

WE CAN END THE ILLEGAL ALIEN PROBLEM AND FORCE ALL THOSE CRIMINALS WHO VIOLATE OUR LAW TO VOLUNTARILY RETURN HOME IF WE FOLLOW A POLICY OF NO AMNESTY AND ENFORCEMENT ONLY.

REMEMBER THIS WORD: "ATTRITION."

THE SOLUTION IS "ATTRITION, ATTRITION, AND MORE ATTRITION" UNTIL ALL ILLEGALS HAVE DECIDED ON THEIR OWN TO RETURN HOME.

THEN AND ONLY THEN CAN WE BE ASSURED THAT MONSTERS LIKE THOSE WHO COMMITTED MURDER, BOTH ON SEPTEMBER 11 AND A THOUSAND OTHER UNPUBLISHED DATES, ARE NOT HERE, BUT WHERE THEY BELONG...IN THEIR HOME COUNTRIES.

I want to close with a few remarks about my late father and my murdered son.

Those people out there are calling us "Nazis" My father was part Jewish, had enough Jewish blood so the Nazis had him marked for murder. Even more, he was an anti-Nazi activist. And even more, my mother a German Protestant married him in violation of Nazi race laws.

My father a stateless person, fleeing the Nazis, arrived in the Promised Land, the United States of America in 1940. When he got here, he used to tell me, the FBI practically pulled out his

fillings investigating whether he was a German agent and a threat to this country. And he said he was HAPPY they were so thorough, because he didn't want Nazi agents in the US any more than Pres. Roosevelt, J. Edgar Hoover or General George Marshall. And he was PROUD that they found him worthy of this wonderful country.

Sixty-one years after my father arrived his grandson, my son, died here in the World Trade Center because Presidents like Bill Clinton and George Bush were more interested in advancing their political careers by selling us out to the Open Border Lobby. People who came recent times, unlike in 1940, could enter the US with NO ONE IN GOVERNMENT CARING IF THEY WERE A THREAT TO AMERICANS.

THAT'S WHY MY SON AND 3000 OTHERS DIED ON SEPTEMBER 11, 1001.
