(BEGIN VIDEOTAPE)

LOU DOBBS, HOST (voice-over): Tonight, the 9/11 Commission demanding a vote on the deadlocked intelligence reform bill. Relatives of Americans killed on September 11 say this bill does nothing to stop terrorists from crossing our borders.

JOAN MOLINARO, MOTHER OF 9/11 VICTIM: No bill should pass the Senate, the House, anywhere, unless it contains immigration reform to secure our borders. You keep my girls alive.
